TO THE TRADE.

We present herewith our Semi-Annual Trade List.

We have excellent railroad facilities. We ship via A. T. & S. F., Rock Island, Missouri Pacific and Union Pacific.

TERMS AND CONDITIONS.

TERMS OF PAYMENT.—Cash or satisfactory security before shipment of stock. All orders to be sent by express, C. O. D., must be accompanied by one-half the amount in cash.

GRADES.

We grade carefully. In some cases by caliper, and others by height. When by both, the caliper must govern. The lower number is included, but the higher number excluded. For instance, in a grade of 4 to 5 feet trees, 4 feet trees are included, but 5 feet trees go into the next grade higher, and likewise when calipered. If plump 5 feet trees are wanted, the order must be from five to six feet.

When desired, we will send samples.

Use the "Nurseryman's Telegraphic Code" in telegraphing.

We pack all stock in the most thorough manner, for which a moderate charge (sufficient to cover cost) will be made. Boxes packed and paper-lined will be charged as follows:

30 inches square, 9 to 10 feet long, at \$3.00 each

24 inches square, at \$2.00 to \$2.50 each.

20 inches square, at \$1.50 to \$1.75 each.

Bales at from 25 cents to \$1.00 each.

All shipments travel at cost and risk of purchaser.

Guarantee.—We use the greatest care possible to have our stock true to name in all instances, and should any prove not true, we stand ready to replace it free of charge or to refund the purchase price, but do not hold ourselves liable to other damages than are herein named, and all our sales are made with this understanding.

ALL AGREEMENTS and contracts are made subject to loss of crop by drouth, floods, fires, insects or other unavoidable causes.

This list is intended for the trade only, and the prices given will be applied only when the quantities required are such as to entitle the purchaser to wholesale rates. Prices are subject to change without notice.

Certificate of Inspection will be furnished with each shipment.
